## MENTORSHIP~ LEADERSHIP ~SPONSORSHIP APPLICATION

Complete and return to: [info@bodhibridge.org](mailto:info@bodhibridge.org)

Dear Awesome Mentee/Intern/Leader/Sponsorship Applicant ~

Welcome! We're delighted that you'd like to participate in our programs, activities, or services and we're happy to consider you for leadership support, mentorship/internship, and/or work/trade opportunity. :o)

The Mission of The Bodhi Bridge is *to awaken and illuminate the divine potential in humanity to co-create thriving lives of grace, ease, harmony, inspiration and right relationship ~ from the inside out and the outside in*. We do this by equipping visionaries, like yourself, with the teachings, tools, practices, and resources to facilitate the shift in consciousness that makes Awesomeness (living in the Authentic/Higher Self) possible and that supports the thriving and well-being of yourself and others. Our primary intention is to facilitate this Shift through consciousness education, leadership development, conscious service, community development and supporting conscious and innovative design. We use consciousness-based coaching, consulting, mentorship, teaching, leadership development, energy work, outdoor adventure, spiritual practices, program development and resource linking as our primary processes. By participating in our programs and services, you play a vital part in contributing to that positive ripple effect.

Because we value the spirit of reciprocity and are an empowerment-based organization, All sponsorships (whether full or partial) involve some kind of contribution, service or work/trade.

There are many ways to honor/"do right" by this wonderful opportunity. We invite you to:

- \* *Show Up* with a high level of commitment to complete the activity or program;
- \* *Be Actively Engaged*. Show up on time, dive in, follow through, rock your sessions.
- \* *Be of Service*. Be proactive. How can you benefit the lives of others with what you learn?
- \* *Promote the Program/Service*. If the experience was valuable to you, please help spread the word to others who could benefit. This can look like a written or video testimonial, helping us with promoting the work via social media or other cool ideas!
- \* *Pay It Forward!* If/When(!) you experience an increase in income during (or following) our work together, consider sharing your success. Make a donation to this or other Bodhi Bridge programs, sponsorships, or activities. It's tax deductible to you and an amazing opportunity for others!
- \* *Complete an Evaluation* of your progress and your program. This gives us valuable input.
- \* *Get Creative!* Feel free to offer your own inspiring and empowering ideas!

Please complete the following questions, so we can better know how we can support you in your Awesomeness. Thank You for your efforts to lead an awakened life and contribute to creating a better world!

Believing in You!

Diana & The Bodhi Bridge Team
